

Instructions For:

Poly-Stretch Table Throw 6'

Product Specifications

6' Front Imprinted Graphic: 51" W x 17" H

6' Full Bleed Imprinted Graphic: 130" W x 88" H

Product Parts

1 - Poly-Stretch Table Throw

Step 1

Unfold the table throw. Unzip the zipper in the back of the throw. Place throw over the table top.

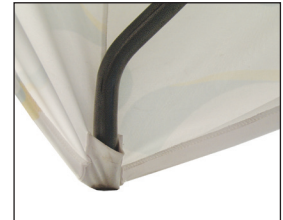

Step 2

Away from the zipper, fit the throw snug over the table by lining up the sewn edges to the table top. Pull gently until top is completely smooth and covered.

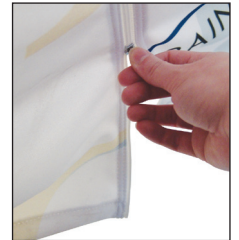

Step 3

Slide the table legs into the sewn pockets at the bottom corners of the fabric. Repeat for all sides.

Step 4

With all four legs planted inside the pockets, be sure that the throw fits snug around and adjust where needed. Zip the zipper closed to create a taut wrinkle-less table.
